Did You Know?

The Arkansas Department of Motor Vehicles says that anyone operating a church van should have a "P" (passenger) endorsement on their drivers license. How does someone get a "P" endorsement so they can drive a 15 passenger church van? They take their current Operator's license to the office where they renew their license, and pay a \$10 fee, and ask that a duplicate driver's license be issued with a "P" endorsement.

Thank You Notes

Paul and I want to take this opportunity to "Thank" our wonderful church family for the beautiful baby shower for Karson. We truly appreciate your kindness and generosity. We are blessed and can't wait for you to meet Karson.

Sincerely, Paul and Ashley White

Dear Church Family, Thank you so much for your prayers, food, visits, cards, phone calls, and other kind deeds during my hospitalization. I'm doing much better now. The Doctor says it is up to me and the Lord. If the hip gets good circulation, I will be okay. Otherwise, more surgery. So please keep praying.
